

Monday, November 24/ Lundi 24 novembre

8:00 AM	Registration Opens / Début des inscriptions	
<p>PRE-FORUM KNOWLEDGE TRANSLATION (KT) SESSIONS / Ateliers d'application des connaissances qui précèdent le forum Open to all registered Forum delegates (while space lasts). Separate registration required. Ouvert à tous les membres enregistrés du Forum (jusqu'à salle comble). Des inscriptions séparées sont requises.</p>		
9:00- 12:00	KT SESSION 1	<p>"The Warrior Sisters" A therapy group created for women by women: How we got there Host: Carewest Operational Stress Injury Clinic</p> <p>"The Warrior Sisters" Un groupe de thérapie créé pour les femmes par des femmes: Comment en sommes-nous arrivées ici? Organisé par: Carewest Operational Stress Injury Clinic</p>
9:00- 12:00	KT SESSION 2	<p>Translating Military Members' Concerns Regarding the Onset and Maintenance of PTSD to a Novel Research Agenda Host: Department of Psychiatry and Behavioural Neurosciences, McMaster University; St. Joseph's Healthcare Hamilton; Homewood Research Institute</p> <p>Traduire les inquiétudes des militaires en ce qui concerne l'ajout et le maintien du syndrome de stress post-traumatique à un agenda de recherche Organisé par: Department of Psychiatry and Behavioural Neurosciences, McMaster University; St. Joseph's Healthcare Hamilton; Homewood Research Institute</p>
9:00- 12:00	KT SESSION 3	<p>Managing Insomnia in military-related PTSD Host: St. Joseph's Parkwood Hospital Operational Stress Injury Clinic</p> <p>Gérer l'insomnie liée au syndrome de stress post-traumatique causé par la vie militaire Organisé par: St. Joseph's Parkwood Hospital Operational Stress Injury Clinic</p>
9:00- 12:00	KT SESSION 4	<p>Military Families: Challenges and Resilience Issues Host: Department of National Defence, Canada</p> <p>Familles militaires: défis et résilience Organisé par: Département de la défense nationale, Canada</p>
9:00- 12:00	KT SESSION 5	<p>Critical Appraisal 101: Evidence Appraisal for Researchers and Policymakers Host: Canadian Agency for Drugs and Technologies in Health (CADTH)</p> <p>Évaluation critique 101: Appréciation des preuves par les chercheurs et les décideurs Organisé par: Canadian Agency for Drugs and Technologies in Health (CADTH)</p>

9:00- 12:00	KT SESSION 6	Returning to Duty Following a Traumatic Brain Injury – How Will We Know When We're Ready? Host: University of Toronto, Department of Occupational Science and Occupational Therapy Retour au travail après une blessure au cerveau traumatisante: comment savoir le moment où on est prêt? Organisé par: University of Toronto, Department of Occupational Science and Occupational Therapy
9:00- 12:00	KT SESSION 7	Chronic Pain in Veterans: Translating Evidence for the Canadian Healthcare Context Host: School of Nursing, Queen's University Douleur chronique chez les vétérans: traduire les preuves pour le contexte des soins de santé canadiens Organisé par: School of Nursing, Queen's University
1:00	Welcome to Forum 2014 / Allocution de bienvenue au Forum 2014	
1:15-2:00	Opening Plenary Session / Séance plénière Françoise Mathieu , MEd, CCC Director: Compassion Fatigue Solutions	

2:00PM CONCURRENT SESSIONS 1/ SÉANCES SIMULTANÉES 1

NOTE: Session ID No. listed after presenters' names (e.g.[1A01]) correspond with abstract ID's in the Abstract Program

1A Room: Osgoode	1B Room: Sheraton Hall A	1C Room: Sheraton Hall E	1D Room: Sheraton Hall B	1E Room: Sheraton Hall C
Mental Health Rehabilitation and Reintegration	Novel Health Technologies Force Protection	Family Health	Traumatic Brain Injury	Transition from Military to Civilian Life
2:00-2:30 Featured Speaker: Dr. Carl A. Castro Coming Home, the Impact of Combat Duty on Civilian Reintegration	2:00-2:30 Featured Speaker: Dr. Rory Cooper Advanced Technologies for Wounded, Injured, Ill Veterans	2:00-2:30 Featured Speaker: LGen. D. B. Millar Supporting Military Families Through Evidence-Based Policies and Programs	2:00-2:30 Featured Speaker: Doug Smith Waking up to Trauma as Human Condition - One Man's Journey	2:00-2:20 Stewart Macintosh, MA [1E01] Trends in the Veteran Transition Experience (LASS 2010 and 2013)
2:30-2:50 Ann-Renee Blais, PhD [1A01] Further Evidence for the Factorial Validity of the Canadian Forces Recruit Mental Health Service Use Questionnaire	2:30-2:50 LCol. Alexandra Heber, MD [1B01] A Primer for Primary Care Physicians Treating PTSD: A case-based online education tool	2:30-2:50 Heidi Cramm, PhD [1C01] A Scoping Review of Mental Health Risks and Needs of Children Growing Up in Canadian Military Families	2:30-2:50 Bryan Garber, MD [1D01] The Occupational Impact of Deployment-related Mild Traumatic Brain Injury among Canadian Forces Personnel Deployed in Support of the Mission in	2:20-2:40 Mary Beth MacLean, MA [1E02] Pre and Post-release Income: 2013 Life After Service Studies (LASS)
	2:50-3:10 Luisa Valbuena, MSc [1B02]	2:50-3:10 Krystal Hachey, PhD		2:40-3:00 Linda Van Til, MSc [1E03] Reserve Force Veterans and their Transition to Civilian Life (LASS 2013)

<p>2:50-3:10 Duncan Shields, PhD (Cand) [1A02] The New Rules of Engagement: Male Veterans' accounts of why they completed a group therapy program</p> <p>3:10-3:30 Kimberley Watkins, MA [1A03] Association between Combat Experiences and Post-Deployment Mental Health Problems among CAF Members Deployed in Support of the Mission in Afghanistan</p> <p>3:30-3:50 Jim Thompson, MD [1A04] Out of the Shadows: Two decades of population surveys of the mental health of CAF Veterans</p>	<p>The CAF's Disease and Injury Surveillance System</p> <p>3:10-3:30 Steven Fischer, PhD [1B03] Near Term Solution to Address Aircrew Neck Pain</p> <p>3:30-3:50 Ian Gilchrist, PT [1B04] Standardized Assessment of Static Neck Strength Capacity for Representative In-flight Head Postures of CAF Helicopter Aircrew</p>	<p>[1C02] CAF Service-Related Illnesses and the Family: Therapeutic programs targeting children's resilience</p> <p>3:10-3:30 Valerie Murphy, PhD (Cand) [1C03] Adult Attachment and Spousal Reactions to Separation and Reunion Phases of a Military Deployment</p> <p>3:30-3:50 Amanda Bullock, MA [1C04] The Impact of Military Life Related Stressors on Children from Military Families</p> <p>3:50-4:10 Mark Zamorski, MD [1C05] Prevalence of Child Abuse in CAF Personnel and Canadian Civilians, 2012/2013</p>	<p>Afghanistan, 2009-2011</p> <p>2:50-3:10 Yushan Wang, PhD [1D02] Mechanisms of Primary Blast-induced Mild Traumatic Brain Injury</p> <p>3:10-3:30 Jing Zhang, PhD [1D03] Hair follicle: A new diagnostic tool for traumatic brain injury (TBI)</p> <p>3:30-3:50 Maj. Daniel Crumback, MSc (Cand) [1D04] An Interdisciplinary Approach to Mild Traumatic Brain Injury (mTBI) Assessment and Treatment: From injury to return to duty</p>	<p>3:00-3:20 Edouard Auger, MD [1E04] Group Interpersonal Psychotherapy Addressing the Transition to Civilian Life for CAF Veterans with OSI's</p> <p>3:20-3:40 Maya Eichler, PhD [1E05] Gender and the Transition from Military to Civilian Life: A review and analysis of the literature</p> <p>3:40-4:00 Cpl. Marc D'Astous & Nevin Harper, PhD [1E06] The Outward Bound Canada Veteran's Program</p>
4:30	Break / Pause			
6:00 – 8:30	Scientific Showcase and Networking Reception / Réception et séance d'affiches			
Tuesday, November 25/ Mardi 25 novembre				
7:00AM	Fitness Session / Séance de condition physique			
8:00	Networking breakfast / Petit-déjeuner réseautage			
8:30	<p>Welcoming Plenary / Séance plénière:</p> <p>The Honourable Julian Fantino, Minister of Veterans Affairs Canada (invited) General Tom Lawson, Chief of Defence Staff</p>			
9:00 -10:00	<p>Featured Banting Award Talk / Présentation spéciale du Prix Banting:</p> <p>Introduction: Brigadier-General J.J.-R.S Bernier, Surgeon General Dr. Mark Zamorski, Banting Award Winner, Forum 2013</p>			

10:00	Coffee Break and Trade show / Pause-café et salon d'exposition
